

Congratulations to the Thirds. Welcome to the Grand Final. A very tough selection this week, taking over an hour and a half to select for the final spot. Our apologies to those who did not make it into a team but please read the following as teams can change during finals.

This is a Grand Final and it is imperative all bowlers follow the following guidelines.

It is expected that all bowlers to turn up by 11.30 to do the following and be part of the team. The following points will aid the team in achieving the best result:

- Be at your venue by 11.30
- Use the hour to warm up
- Check out your line from both ends and both hands
- Get use to the speed of the green
- Check out wide and skinny side
- Check out what the wind is doing to your bowls
- Discuss your observations with your team

NB a two end warm up is not enough time to find out all these things.

These things will prepare you and your team to be ready and warmed up with total knowledge of the green and conditions.

Good luck Saturday and let's end up with a flag.
