

## **Club Championships 24/25**

### **Competition Schedule**

- You have to be a full member of the HRSBL to enter any of the club competitions
- There will be key dates set where each round of each competition MUST be completed.
- If a player cannot meet the deadline date for a specific round, he/she will be deemed to have given his opponent a walkover.
- If both players cannot meet the deadline, the match committee will conduct a coin toss to determine which players progress to the next round.
- No exceptions will be made and it is expected that players should withdraw from the competition if they cannot adhere to the schedule due to work commitments, holidays, illness etc.
- *The deadline dates for each round will follow.*

### **For all championships, the final deadlines are:**

- Ladies and Gentlemen's: Friday 28th February
- All other championships : Friday 28th of March.

*If you haven't done so, please ensure you have organised all partners for pairs and triples so you can get off to a prompt start when the matches begin. If you haven't done so please make sure your playing partner, or any changes, are communicated to the Match Committee (Mick Rankin, Mark Crohan and Sonia McNally) no later than the 5th of October 2024.*
